➤ The Telemedicine Solution

Our telemedicine benefit provides you and your family access to board certified physicians around the clock (**24/7/365**) via telephone or secure video. Telemedicine physicians can give advice, diagnose or treat illness, and even prescribe medication right over the phone. With healthcare costs rising, an office visit with a PCP or Urgent Care Center can range from \$155 to upwards of \$300, and an ER visit can average almost \$1,000*. With this benefit, there is no cost to you or your family for a consultation.
